

**FOR PROFESSIONAL USE ONLY**

Concentrated Product - Dilute Before Using

**BROWNING:** To soure a carpet for prevention of Browning, spray a solution of 1-2 oz. STEAM SOURE to one gallon of water over carpet or upholstery area following cleaning. Allow natural evaporation. When used to correct Browning, use 7-10 oz. STEAM SOURE per gallon of water. Spray, sponge, or brush onto carpet. To dry area, towel or allow natural evaporation. DO NOT RINSE as Browning may then re-occur.

**PH NEUTRALIZER:** STEAM SOURE is an excellent alkaline neutralizer capable of returning sensitive yarns and fabrics to their natural state following exposure to harsh alkaline cleaning agents. Lightly spray 1-2 oz. per gallon water solution and allow natural evaporation.

**DYE SETTING:** To set fugitive dyes or colors, lightly spray a 7-10 oz. STEAM SOURE per gallon of water solution just prior and immediately after wet cleaning. Always pre-test.

**SPOTTING:** Mix one part STEAM SOURE with one part water and add a small amount of neutral shampoo for lubrication and suspension. Use on stains or spots requiring a tannin spotter such as coffee, fruit juice, etc.

# STEAM SOURE

## Acid Element

NO HARSH ACID ODOR

SOURING - ANIMAL STAINS  
ALKALINE SPOTS  
COLOR SET - BROWN OUT  
NEUTRALIZER

NET CONTENTS: 1 Gallon (3.78 Liters)

CAUTION: Keep Out of Reach of Children  
see side panel for additional precautions

STEAM SOURE is a blended acid formula without the offensive odor normally associated with this type of product. STEAM SOURE can be safely used for prevention of browning, to correct a brown out, to set fugitive colors and dyes, and as an acid spotter. Effective yet economical, always keep plenty on hand.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid contact with eyes. Wash thoroughly after handling.

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician. If swallowed, induce vomiting immediately by giving two glasses of water and sticking finger down throat. Call a physician. Never give anything by mouth to an unconscious person.
