

FOR PROFESSIONAL USE ONLY

Contains Citrus extracts and Biodegradable Detergents

1. Spray or wipe on surface to be cleaned.
2. Allow contact with surface for 1 minute or longer depending upon soils to be removed.
3. Flush off with water.
4. Apply a second application if needed for complete removal of soil.

CAUTION: Avoid contact with eyes. In case of contact with eyes, flush with water. Wear rubber gloves for sensitive skin or prolonged use. As with all professional cleaning products, wash with soap and water all skin exposed.

CITRA CLEAN-E

**Water Dilutable
Neutral Solvent Cleaner**

**Effectively Removes
Asphalt * Tar * Oil
Petroleum Residue**

1 Gallon (3.78 Liters)

CAUTION: Keep Out of Reach of Children
see side panel for additional precautions

CITRA CLEAN-E is an environmentally safe and natural solvent cleaner. This product contains no petroleum distillates, methylene chloride, chlorinated solvents nor phosphates. It can be sprayed or applied manually. One of the unique characteristics of CITRA CLEAN-E is that this solvent can be diluted with water and still remain effective. The particular dilution for you needs to be determined by you for your intended use. The product can be used without dilution on automobiles to remove tar, road film, and general dirt without harming the paint.

CITRA CLEAN-E is the most effective asphalt, tar, oil and petroleum residue remover on the market today. It can be used on any surface and is an effective cleaner for daily maintenance to keep surfaces clean from water soluble soils as well as non water soluble soils.
