

**FOR PROFESSIONAL USE ONLY**

**Directions For Use:**

**NON POROUS SURFACES:** (painted surfaces, glazed brick, metals, baked enamels, painted granite, tile, aluminum, ceramics, glass, plexiglass, etc.) Apply by wiping, by spraying with a trigger or high pressure sprayer or by brushing. Let the product remain in contact with the surface for 10-30 seconds, then rub or wipe over treated area with brush, sponge, or cloth. Rinse with water. If ghost mark shows, repeat above procedure and allow a longer contact time.

**POROUS SURFACES:** (brick, stone, cinder block, concrete, etc.)

Apply by wiping, by spraying with a trigger or high pressure sprayer or by brushing. Let the product remain in contact with the surface for about 5 minutes, then rub or wipe over treated area with brush, sponge, or cloth. Rinse with water by spraying with pressure water spray or garden hose. Repeat if necessary.

# Graffiti Remover

**Biodegradable**

**DOES NOT CONTAIN:**

**Petroleum Distillates**

**Methylene Chloride**

**Chlorinated Solvents**

1 Gallon (3.78 Liters)

**CAUTION: Keep Out of Reach of Children**

Safely removes markings of oil base, latex and enamel paints, tree resin, tar, shoe polish and all types of markers. Controlled Stripping Action makes Graffiti Remover ideal for removing only the undesirable marks.

**Caution:** Harmful or fatal if swallowed. If swallowed do not induce vomiting. Call a physician immediately. Avoid prolonged skin contact. Rubber gloves are recommended. Wash thoroughly after skin contact. If irritation occurs, apply skin lotion or petroleum jelly. Avoid eye contact. Safety goggles are recommended. In case of eye contact, flush eyes with water for 15 minutes. Call a physician if irritation persists. Use with adequate ventilation.
