

FOR PROFESSIONAL USE ONLY

EFFECTIVELY REMOVES WATERSPOTS AND STAINS FROM:

WHITE PORCELAIN • ACRYLIC • CERAMIC TILE
FIBERGLASS • SHOWER DOOR GLASS
BATHROOM FIXTURES • VITREOUS CHINA
EXTERIOR UNTINTED WINDOW GLASS

Scale Off is an environmental and non-polluting scale remover only and not an everyday cleaner. This product contains no phosphates and is odorless. It is thickened for easy application to vertical surfaces. Scale Off can be sprayed or applied manually.

Scale Off is the safest, most effective calcium, lime and rust remover on the market today. With a moderate pH of 5.0, Scale Off does not have the corrosive effects nor attacks the skin like other acid stain removers. Therefore, it is much safer to use. It is non-abrasive.

Not recommended for use on auto glass or any tinted glass.

SCALE OFF

Odorless | Safe To Use

Calcium, Lime and Rust
Remover

Non-Polluting & Non-Abrasive

NET CONTENTS: 1 Gallon (3.78 Liters)

CAUTION: Keep Out of Reach of Children
see side panel for additional precautions

DIRECTIONS

1. Always TEST on a small surface before using this product, particularly in cases where colored porcelain is concerned. This product can also dull the shine on ceramic tiles and some porcelain.
2. ALWAYS RINSE SURFACE with water after removal of spots and stains.
3. NEVER allow SCALE OFF to DRY or remain in contact with any surface to be cleaned for more than a few minutes as it may affect certain finishes.
4. Protect any surroundings areas from spills.
5. Gently shake Scale Off before using.
6. For best results, Dry stained surfaces before applying Scale Off.
7. For toilets, lower water level below the toilet ring. Use a green pad or similar applicator in a circular motion on stained areas. Repeat if necessary until spots and stains disappear. Do not use steel wool or other abrasive metal applicators.
8. Use for sinks, bathtubs and shower walls to remove spots and stains from calcium deposits and rust. Apply Scale Off to a small section at a time and Rinse after each application.

CAUTION - Harmful if swallowed. Avoid contact with eyes. If swallowed, call a physician or manufacturer. In case of contact with eyes, flush with water for at least 15 minutes. Wear rubber gloves for sensitive skin or prolonged use. As with all professional cleaning products, wash with soap and water all skin
