

**FOR PROFESSIONAL USE ONLY**

**DIRECTIONS FOR USE**

**SPOTTING:** Use DRI-SOL ECO in its concentrated form for spot removal of tars, oils, greases, fats, gum, asphalt, petroleum residue, and waxes. Apply DRI-SOL ECO with a cloth or from a spotting bottle. Agitate gently. Rinse thoroughly.

**BACKING PRECAUTION:** Excessive penetration into carpet backing may loosen latex. Allow latex to dry and it may return to normal. High density foam backed carpet (indoor/outdoor) may suffer permanent damage to the foam backing if the solvent penetration is too deep.

# **DRI-SOL ECO**

**NATURAL SOLVENT SPOTTER**

**An Environmentally Safe Natural Solvent  
Effectively Removes Spots**

**ASPHALT - TAR - OIL - MARKERS - PEN - MANY OTHERS**

**NET CONTENTS: 1 Gallon (3.78 Liters)**

**CAUTION: Keep out of the reach of children.**

**CONTENTS FLAMMABLE.** Keep away from heat, sparks and open flame. Do not spray near pilot lights. Use only with adequate ventilation. Avoid prolonged breathing of vapor or contact with skin. Do not take internally. If swallowed, call a physician immediately. Avoid contact with eyes.

DRI-SOL ECO is an environmentally safe and natural solvent with a pleasant odor. This product contains no petroleum distillates, methylene chloride, chlorinated solvents nor phosphates. It can be sprayed or applied manually. The product can be used without dilution on automobiles to remove tar, road film, and general dirt without harming the paint. Also suitable for most hard surface spotting.

DRI-SOL ECO is the most effective ecological spot remover on the market today. It can be used on most surfaces.

DRI-SOL ECO retains solvency yet low fume toxicity, evaporates quickly, and will leave no residue.
