

FOR PROFESSIONAL USE ONLY

DIRECTIONS FOR USE

FABRIC PRE-CONDITIONERS - Add 4 oz. Wet-Sol to each diluted gallon of your carpet or upholstery pre-conditioning formula like Pre-Solv to increase degreasing capability. On carpet this pre-conditioner can be applied by pressure sprayer or in heavy soil conditions by rotary scrubber. After application allow approximately 5 minutes for chemicals to work before rinsing with steam cleaning equipment.

On upholstery apply the pre-conditioning solution with a sprayer. Agitate as necessary with a soft horsehair upholstery brush, then rinse and extract loosened soil and chemicals. Always pre-test fabrics for color fastness prior to applying chemicals.

WET-SOL

WATER COMPATIBLE SOLVENT BOOSTER

Net Contents: 1 Gallon (3.78 Liters)

CAUTION: Keep Out of Reach of Children

Combustible - keep away from heat, sparks, and flame - use with adequate ventilation. Do not take internally. Avoid contact with skin and eyes. In case of contact, flush immediately with plenty of water. For eyes, get medical attention. If swallowed, give large amounts of water and induce vomiting.

SPOTTING: Wet-Sol can be used full strength for spotting oil based spots and stains - rinses clean with water.

ALL PURPOSE CLEANING - For added effectiveness in degreasing and cutting oily soils, add 6 oz. of Wet-Sol to your normal cleaning solution for wall washing, hard surface cleaning, etc.

**FAST, EFFECTIVE
DEGREASING ADDITIVE
CONTAINS NO BUTYLS**
