

FOR PROFESSIONAL USE ONLY

Marks-Off will remove marks made by marking pens, ink, some glue, crayon, nail polish, grease and oil, lipstick, some paints and many other oil-based agents such as soot.

Can be used safely on carpets, fabrics, walls, plastic surfaces, and other non porous surfaces such as sealed concrete. On painted walls, depending on the type of paint, some of the paint may be removed during cleaning.

Marks-Off emulsifies with water for easy removal by rinsing.

MARKS-OFF

Anhydrous Spotting Agent

NET CONTENTS: 1 Gallon (3.78 Liters)

CAUTION: Keep out of the reach of children.

WARNING: Flammable. Keep away from sparks, heat, and open flame. Use with adequate ventilation. Harmful if swallowed.

Directions: Use Marks-Off undiluted right from the container. Surface to be cleaned should be dry for maximum dry solvent action. Agitate gently. Apply water and agitate further, creating a lather, rinse thoroughly.

For professional use only.
