

FOR PROFESSIONAL USE ONLY  
Concentrated Product  
Dilute Before Using 1:6

**SPRAY APPLICATION:**

MIX 21 ozs. of NEUTRA-SOLV with each gallon of water (1:6). Best results may be obtained by using the HOTTEST WATER available.

SPRAY liberally onto the heavily soiled areas of the fabric. WAIT, to give the chemical time to work, then BRUSH heavily soiled areas as necessary with a soft horsehair brush. RINSE & EXTRACT to remove the loosened soil and chemicals.

Safe on natural fibers, light colors and all color-fast dyes.

Always pre-test fabrics for color fastness prior to applying chemicals.

**CAUTION:**

Do not take internally. Avoid contact with skin and eyes. In case of contact, flush immediately with plenty of water. For eyes, get medical attention. If swallowed, give large amounts of water and induce vomiting.

# NEUTRA-SOLV

Upholstery Cleaning  
Pre-Spray

Neutral pH

NET CONTENTS: 1 Gallon (3.78 Liters)

CAUTION: Keep Out of Reach of Children  
DO NOT TAKE INTERNALLY

NEUTRA-SOLV contains a special blend of water-based and solvent cleaning systems for fast, effective removal of BODY OILS, HAIR OIL, FATS, AND SOILS. Also contains a pleasant LEMON DEODORANT.

**SAFE, GENTLE CLEANING**

No harsh alkaline to cause dye bleeding or fabric browning. Leaves fabric in a natural state.

**EXCELLENT FOR WOOL**
