A B H S

ABHS is a mild, yet effective blend of hand cleaners which also contains one of the most efficient anti-bacterial active ingredients known, PCMX (para-chlorometaxyleneol). AHS has a creamy, mild soap formulation with a fresh fragrance.

DIRECTIONS FOR USE: Use undiluted. ABHS produces copious amounts of cleansing suds, even in hard water. Rinse hands with water.

First Aid: Avoid contact with eyes. For eye contact, flush with water. If accidentally swallowed, contact a physician immediately. Please refer to the Material Safety Data Sheet for detailed safety information and procedures. In case of emergency call 1-800-255-3924.

Only for Sale to, Use and Storage by Servicepersons.
