I P W

Industrial Cleaner and Degreaser

A great cleaner that can be used not only for heavy duty equipment such as pumps, engines, and compressors but also for car washing, floors and painted surfaces. I P W is a safe and economical cleaner to use. It has effective and penetrating actions, controls most lime and scale deposits and is safe on most metals.

For heavy duty cleaning, mix 10 ounces per gallon water. For liquid steam cleaners, mix 1 part to 35 or more parts water. For car and truck washing, dilute 2 ounces per 3 gallons water. First Aid: Avoid contact with eyes. For eye contact, flush with water. If accidentally swallowed, contact a physician immediately. Please refer to the Material Safety Data Sheet for detailed safety information and procedures. In case of emergency call 1-800-255-3924.

Only for Sale to, Use and Storage by Servicepersons.
