R G C

R G C offers the power of an industrial strength glass cleaner in the convenience of a ready-to-use bottle. This dust retardant formula is pH neutral making it safe to use on almost any polished surface. Easy to use, R G C requires no mixing or dilution, eliminating product waste and reducing labor time.

- Economical
- Special dust resistant formula
- Meets California State VOC standards

Directions and Applications: For best results, lightly mist the surface to be cleaned and wipe dry with a soft, clean cloth. For heavy soil, spray and wipe the surface repeatedly.

Not recommended for wood surfaces

First Aid: For skin contact, flush with large amounts of water. In case of eye contact, flush with water for at least 15 minutes. If irritation persists, contact a physician. If ingested, induce vomiting and get immediate medical attention. Please refer to the Material Safety Data Sheet for detailed safety information and procedures. In case of emergency call 1-800-255-3924.

Only for Sale to, Use and Storage by Servicepersons.
